

## Workshop-Ministry Information and Request Form

**Introduction:** This introduction to our request form will help you understand how we evaluate and determine if a workshop will be a benefit to your church or ministry.

Wilderness Voice Ministries makes available outside workshops and ministry engagements for Message of the Cross International. These workshops and ministry engagements are not just another Christian motivational speaking engagement; rather they are very poignant and challenging messages with practical and sound Biblical teaching to help prepare for a true move of God within your fellowship and community.

We try to video tape each workshop or engagement to make available DVD resources to be used by your ministry after the workshop or ministry event. We also make the videos available to others. Hosting workshops or ministry engagements requires a suitable facility that will adequately hold the number of attendees expected and allow us to set up our video recording equipment.

**Workshop-Ministry Costs:** There is no set workshop or ministry engagement fee. An honorarium is required to compensate the speaker in an amount that is affordable to those attending. The honorarium is not a tax-deductible donation. If a donation is preferred then a donation to MCI in lieu of an honorarium is acceptable. We do require travel and lodging expenses covered in advance or arranged and provided for a workshop or ministry engagement.

A \$25.00 registration fee is required for each person attending a workshop to cover materials and workshop handbook. Materials include posters, workshop brochures/registration form, and flyers. The workshop handbook is a small booklet for attendees to use during workshop sessions to follow each teaching point, review and note taking.

**Workshop-Ministry Overview:** Review the following workshop and ministry overviews to help you determine which workshop to host or to hold a ministry engagement.

- **Receiving the Crown of Life** - Many Christians struggle in their walk with Christ; plagued by confusing books and false teachings, many stray from scripture only to become disillusioned. This workshop lays out sound doctrine found in the word of God to help the sincere Christian overcome the carnal driven life, learning to workout their salvation, and grow up into Christ. Attendees will learn to endure the trials of life, stand the tests of the Christian life, and live in newness of life led by the Holy Spirit.
- **Exposing Darkness** - Evil is growing throughout our society, unfortunately it infiltrates many fellowships. The Apostle Paul wrote, "*Take no part in the unfruitful works of darkness, but instead expose them. For it is a shame even to speak of the things that they do in secret*" (Eph. 5:11,12). This workshop is full of insight and practical theology, teaching on discernment, the gifts of the Holy Spirit and the discipline and training of the Lord in exposing evil in our community and amongst the brethren.
- **Get Ready Now!** - Jesus warned us to be prepared for His coming so that we may be able to endure to the end and stand before the Son of man. "*But watch at all times, praying that you may have strength to escape all these things,*" here the phrase "*that you may have strength*" means that one may have exceeding godliness to be deemed entitled or qualified to escape. This workshop covers many issues pertaining to growing up into Christ and working out our own salvation in fear and trembling. "*But the day of the Lord will come like a thief, .... Since all these things are thus to be dissolved, what sort of persons ought you to be in lives of holiness and godliness, waiting for and hastening the coming of the day of God, because of which the heavens will be kindled and dissolved, and the elements will melt with fire!*" (2 Pet. 3:10-12).
- **Called to Lead by Example** - A recent study showed that 90% of pastors interviewed said Bible school training or seminary did only a fair to poor job preparing them for ministry. Those attending this workshop will gain insight from years of ministry experience. Using sound doctrine from the word of God and the more difficult teachings of Christ, this course will equip pastors, church leaders, and Christian workers with biblical principles to meet the hard and demanding aspects of ministry. Most importantly, leaders will discover insight and understanding to help make their calling a joy and find strength, wisdom and power in the Lord to facilitate leadership by example.

- **Ministry Engagement** - You can arrange for a ministry or speaking engagement for your fellowship or in your community. The following are important topics available upon request, or you can allow the Holy Spirit to inspire the topic. Ministry engagements normally consist of a message followed by personal ministry. Ministry engagements usually last no longer than three hours.
  - Flesh driven religion or Holy Spirit led living?
  - The work of the cross in the life of the saints.
  - Why tribulation before the rapture.
  - How to endure tests of faith.
  - Prepare for the coming persecution.
  - Help for the struggling Christian.
  - How to prepare for a true move of God.
  - Effective spiritual warfare.
